I've heard the EPA wants to get all pollution out of the river, but please make sure the cleanup doesn't harm jobs.

The Willamette River is the lifeblood for Oregonians but it is also the home to many, many businesses and jobs on our working waterfront. The shipyards and docks have really defined who we are as a city, Port-Land.

Thank you for what you do for our environment. Please consider my thoughts and approve a plan that's good for our economy as well.

Sincerely,
